

Educational Credits

Contact hours will be given by each individual vendor. Contact hours will be given for lecture portion only.

ANCC does not allow contact hours to be given for interactions with Vendors if product is involved. We estimate 6 contact hours to be given with 1-2 contact hours available on self-study modules.

We will have 1-2 additional self-study modules for you to complete to maximize Contact hours available to you.

This application is also forwarded to ABCGN for approval of GI specific credits. Some topics have been sent to IAHCMM and CBSPD for approval.
